Dear Records and Identification Division:

This is an urgent request for a copy of the Crime Report for the above property address, to allow El Serrano Liquor Store and Market to appeal a Dismissal and Imposition of Conditions dated March 20, 2018. A copy of that Dismissal is enclosed for your information. Our firm represents El Serrano Liquor Store and Market.

At issue in this matter is an updated report of crime at or near the location from and after the date of March 14, 2017 up through and including March 20, 2018.

Request is hereby made that you please provide a Crime Report of incidents at the property location at your earliest convenience, and if possible, via email to my office at marc@clgla.com. The basis for this urgent request is that El Serrano is appealing from an imposition of conditions that is only based upon the "possibility" of nuisance, and we would like the updated report as to the facts, not just the possibilities.

If you have any questions, please contact me as soon as possible, as we would like to include this factual data in our reports to support the appeal of impositions of conditions we believe are not based upon actual events. Your response is greatly appreciated.

Sincerely,
