Good Morning Sir

Hope all is well. Good seeing you last night at the Town Hall Meeting.

I spoke with Ben Thompson from Hollywood Vice and Jedd Levin from here at DSVD. I'm sure you know already, we have a Revocation Hearing for the Rusty Mullet on July 28, 2016. I know you have helped the Vice Unit before and I'm hoping you can help out again.

We need community support for the Revocation Hearing. Will you help us find business owners and community members that would be willing to testify at the Hearing? Testifying to police reports is good, but as you know, a couple of community members speaking to the horrible conditions of the bar is "golden".

Let me know your thoughts. I'll be in Hollywood Thursday afternoon if you're around.

Thanks Again

Dana

Hi Sir,

We only did inspections at two establishments on Friday July 8th, 2016, with those being "Cosmo" located at 6364 Hollywood Blvd and "Rusty Mullet" located at 1708 N Las Palmas Avenue. Our people and 77th Street Vice entered "Cosmo" at approximately 2250-hours and departed at approximately one hour later at 2350-hours; the incident number for that inspection was INC #160708005228. The "Cosmo" manager - Conrad Straub (D.O.B: 12-26-1983, CA Lic # E2832971) was cited following the inspection (RFC No. F38594) for Violations of CUP Conditions - 12.29 LAMC and Violations of ABC License Conditions - 23804 B&P.

Our group and 77th Street Vice inspected "Rusty Mullet" after "Cosmo" and entered the premises at approximately 0000-hours on July 9th, 2016. Our people used the same incident number of INC #160708005228 for the Rusty Mullet inspection. The inspection of that premises lasted until 0145-hours, which was the time our people left the facility. Officers completed two Complaint Applications directed at the location operators following this inspection for 12.29 LAMC Violations, 23804 B&P Violations, a 103.106(b) LAMC Violation and a 103.102(c) LAMC Violation. The DR Number for these Complaint Applications have not been generated yet.

Please let me know if you need any additional information regarding these inspections and thank you very much for assisting our team in performing them.

The implementation of reduced operating hours would significantly reduce the adverse impact of this License Type modification and reduce the burden the transition would impose on city agencies.

As we have appeared to reach an agreement regarding the operating hours Hollywood Vice and the Los Angeles Police Department along with Council District 13 will support the License Type Modification.

Hi Miss,

Here is the Game Plan for the operations tomorrow night. I have not included the personnel you will be bringing out. Please let me know who you want me to add and I will do so. I have not submitted this to my supervisor for final approval yet so some of the locations may change but the focuses of "Rusty Mullet" and "Cosmo" will remain. Please let me know what you think and tell me if you would like to see anything changed.

Officer Thompson, Thank you.

I've been working with the police arrest/investigative reports and I believe I finally organized them into some understandable sequence.

Hi Sir

Here is the Homicide Crime and Arrest Reports related to the stabbing that occurred directly beside the Rusty Mullet premises. There are undoubtedly a bunch of follow-up investigative reports related to this occurrence that I have to track down still. I will do my best to get those to you by the end of this week. As far as these reports go, I think I had previously sent redacted copies to your office for inclusion in the case file. Please let me know if you have received those. If you haven't I will forward you a redacted version right away. I am still trying to track down the STAR training documents and plan on submitting those to you in the next couple of days. Please let me know if you need anything else or have any questions regarding any of the items I have submitted so far.

Hi Sir,

Here is the message I had mentioned to you over the phone. The sender - Rony Giron works in the Condition Compliance Unit of City Planning and is currently working on a revocation case with me for Rusty Mullet. Apparently the restaurant manager directed him to contact our Office regarding STAR training certifications.

On another subject our unit is going to be doing ABC Inspections on Friday, June 24th, 2016. We are going to be working with Foothill Vice on that night and would love to have you come out and join the party. We will probably start the ABC operation around 2100-hours, please let me know if you wanna come out.

Hi Sir,

Here is the message I had mentioned to you over the phone. The sender - Rony Giron works in the Condition Compliance Unit of City Planning and is currently working on a revocation case with me for Rusty Mullet. Apparently the restaurant manager directed him to contact our Office regarding STAR training certifications.

On another subject our unit is going to be doing ABC Inspections on Friday, June 24th, 2016. We are going to be working with Foothill Vice on that night and would love to have you come out and join the party. We will probably start the ABC operation around 2100-hours, please let me know if you wanna come out.

Thank You,

Hi Sir

Here is the Homicide Crime and Arrest Reports related to the stabbing that occurred directly beside the Rusty Mullet premises. There are undoubtedly a bunch of follow-up investigative reports related to this occurrence that I have to track down still. I will do my best to get those to you by the end of this week. As far as these reports go, I think I had previously sent redacted copies to your office for inclusion in the case file. Please let me know if you have received those. If you haven't I will forward you a redacted version right away. I am still trying to track down the STAR training documents and plan on submitting those to you in the next couple of days. Please let me know if you need anything else or have any questions regarding any of the items I have submitted so far.

Hi Sir,

The proposed date for the Rusty Mullet Hearing is Tuesday, July 19th. I would like to put several Drunk Service operations together between now and the Rusty hearing date. Please provided any assistance you can Sir. Any Friday or Saturday would have good potential to produce meaningful results. Please let me know any date that you think you might be available to coordinate operations and I will adjust accordingly. As for tomorrow we will be discussing Cosmo (Which will have the PLUM hearing in early July), Rusty Mullet, Project LA, Tekila, The Royal, Secret and Star Hookah, Josephs, the Argyle, Playhouse, Scorpion, Cabo Cantina and Jameson. I'll be at the Office early so let me know if you want to meet before the meeting and get a summary of recent news regarding these spots.

Thanks Sir,

Officer Thompson

All this plan started out in Hollywood this morning. But wanted to extend it to other WB commands.

Please identify your major clubs. Personally reach out to management. Consider use of decoy cars tonight and tomorrow. Also I have patrol or uniforms do extra patrol at the clubs. If device is working let's have them stop into the clubs.

Please send me a list of the clubs that you have identified ASAP thank you. The goal is to create a safety net as well as prevent any copycats.

All this plan started out in Hollywood this morning. But wanted to  
extend it to other WB commands.

Please identify your major clubs. Personally reach out to management.  
Consider use of decoy cars tonight and tomorrow. Also I have patrol or  
uniforms do extra patrol at the clubs. If device is working let's have  
them stop into the clubs.

Please send me a list of the clubs that you have identified ASAP thank  
you. The goal is to create a safety net as well as prevent any  
copycats.

Yes I will have Oscar Salgado and Dave Hickman help you out. I don't think I will be able to make it, but both of them have more experience than I do. You will be in good hands!
